E X P E R I E N C E S

Web Front-end Assistant Engineer

BCow Tech, Ltd.

Sept 2020 – Jan 2021

Web Front-end Engineer

BCow Tech, Ltd.

Jan 2021 – Aug 2021

- Assisted the development team in maintaining and updating the projects designed in MVC architectural pattern.
- Participated in each step of the product development process from ideation to development improvement, recommending ideas and overhauling the UI to help build a more user-friendly interface.
- Collaborated with UI/UX designers to ensure the designs were efficient and technically sound.
- Created responsive web views using modern CSS techniques and JavaScript frameworks.

Front-end Engineer

iStaging Co., Ltd.

Feb 2022 – Present

- Daily maintenance of code, debugging issues and solving clients' problems.
- Revamped and built new features to provide better user experiences and higher conversion rate.
- Presented findings in a clear and concise manner to coworkers.
- Assisted new hires, interns, or fresh engineers in finding solutions.
